The May 2009 Membership Meeting will be held on May 26<sup>th</sup> at the Maymont Nature Center. Dinner will again feature a fish fry prepared by Danny and Buddy Noland and their efficient staff of culinary experts. Donations of thawed member-caught fish are requested as they were last year. Cost is \$15.00 for the meal and drinks will be free. Rob Choi will have his fishing-rigged kayak there and will be answering questions about kayak fishing for all comers. Look elsewhere in this issue of the newsletter for more information about this coming event.

## BACKLASH

*(Commentary from the Board of Directors)*

### "THE SUFFOLK LAKES"

DGIF Biologist Chad Boyce will present a program on fishing opportunities on what may most frequently be know as "The Suffolk Lakes". Chad is very familiar with these impoundments and will give us a lot of good information on what may be some underused opportunities for fresh water fishing that are not too far from the Richmond Area. Check elsewhere in this issue of the Angler for a suggested way to get information on these and other freshwater fishing opportunities from the DGIF Website.

### FOUR NEW MEMBERS VOTED IN AT APRIL BOD MEETING

**Gary Henning, Ron Eldridge, Greg Cramer and Drew Garey** were voted into membership in the Virginia Anglers Club at the Board of Directors Meeting held on April 14, 2009. To place a face with these names, a picture of the orientation class attended by this group of new members appears elsewhere in this issue of the Angler. Please make yourselves known to these new members when you see them next. Welcome to the club.

*BACKLASH continued on Page 2...*

**Special Raffle to be held at the April Membership Meeting**

A special raffle will be held at the April Membership Meeting in which a calendar featuring twelve catches made by IGFA Representative Dr. Julie Ball. Standard special raffle ticket prices will prevail... one chance for \$1.00, six chances for \$5.00. Please see Don West for your special raffle tickets.

**Please Be Sure to Pay your Tab at the Membership Meetings**

A dinner tab went unpaid at one of the Membership Meetings earlier this year. The Directors voted for the club to absorb this unpaid bill for dinner. Please be sure that you close your tab before you leave for the evening. Get in touch with John Wetlaufer, Sr. if you feel this was your tab for the evening.

BACKLASH continued from Page 1.

**SPECIE CUPS AVAILABLE FOR INDIVIDUAL PURCHASE**

At the request of the Board of Directors, Angling Rules Committee Records Custodian Danny Noland has established a procedure by which pewter Jefferson specie award cups can be individually purchased from Bunkie Trinite Trophies, the official supplier of engraved items for the Virginia Anglers Club. If you won a species award (points or weight) during the 2008 Angling Year, a simple visit or a phone call sets the engraving of a species cup in motion. Please see the details for ordering individual cups in another part of issue of this Angler.

**SPECIAL COUNTRY STORE ORDER ITEMS AVAILABLE IF ENOUGH INTEREST IS SHOWN**

Country Store Keeper Eddy Johnston is not planning, for the time being, to order in any new "standard" stock for the Country Store. However, he will do special orders if there is enough volume of the items to make an attractive price possible. Often special order items involve a one time set up fee. This fee has to be spread over a number of items to keep the final price reasonable. Contact Eddy if you have requests or questions. There are many items in inventory that are worth a look and a nice addition to any tackle box.

**CATCHY COMMENTS**

by Buddy Nolan

The Freshwater fishing activity has been steadily picking up with the *Shad* and *White Perch* run currently happening in the rivers. The *Blue* and *Flathead Catfish* have plenty to forage on.

Probably the last of the *Yellow Perch* entries were by **Scott Johnston, Pat Quisenberry and William Nicar**. **Scott** had a 0-14 entry on 2# fly on a Clouser fly for 291 points. This entry is the new "specie" lead and replaces **Ryan Noland**. As late as March 11<sup>th</sup>, **Pat Quisenberry** pulled two large *Yellow Perch* from the Pamunkey River. **Pat** had a 1-4 on 4# spin for the first entry and 15 minutes later, landed a 1-7 on 6# spin. His 1-7 *Yellow Perch* takes the lead for the "largest" specie. The best entry being worth 271 points. **William Nicar** also was fishing March 11<sup>th</sup> on Jolly Pond and entered a 0-14 *Yellow Perch* on 2# fly for 250 points. Jolly Pond also produced a 6-8 *Largemouth Bass* on 8# plug for **William**. A Segile Swimmer was used for this 216 point entry.

**Fred Cousins** had two notable catches this past month. His 3-3 *Chain Pickerel* on 2# spin from Lee Hall Reservoir takes the "spin division" lead with 318 points. And the 16-0 **Gar** on 2# plug worth 581 points is the current Club Record and also takes the "specie" lead. Both were caught on "grubs".

Fishing in Weldon, N.C., **Mickey Kodroff** pulled in two 2-8 pound *Hickory Shads*. The 2# spin entry worth 284 points is the early entry and "largest of specie" leader. The 4# fly entry worth 297 points, is now the "fly division" and "specie" leader. Largest *Hickory* from the James River is 2-1 pound to date.

CATCHY COMMENTS continued from Page 2...

**Jamie Pitts** continues to catch nice fish. Fishing on the Potomac River March 10th, **Jamie** caught a 1-12 *Crappie* using a live minnow on 2# general for 224 points and the “largest of specie” lead. Three days later, **Jamie** was fishing Gouldman’s Pond in Port Royal Va., and landed a 7-0 *Largemouth Bass* on a jumbo minnow for 223 points on 6# general.

**Matt Balazik** and **Parks Rountrey** were *Gar* fishing on the James River and had several entries. **Matt’s** was a 6-0 *Gar* on 4 general for 131 points and **Parks** a 8-0 for 290 on 2# spin on a plastic grub. Going to be hard to beat **Fred’s** current 16-0 on 2# plug *Gar* lead.

*Flathead Catfishing* has improved for **Mike Cline**. **Fred Cousins** and **Mike** were fishing together when **Mike** landed a 20-0 *Flathead* using a Silver Buddy for 404 points on 2# plug. **Mike’s** fish replaces **Dennis Cline’s** old Club Record of 19-12 pounds.

**Eddy Johnston** was fishing the James River and caught a *Hickory Shad* on 2# fly. The fish weighed 1-12 and is worth 250 points.

Several of the **Noland’s** have been fishing for *Shad* and *White Perch* the last several weeks. On the James, **Ryan’s** best entry is a 2-1 on 2# spin for 234 points in the Shad Tournament. **Danny** said he thought that **he** and **Ryan** were having a great day catching ~ 60 Shad, when they drifted down the river and saw **Glenn Carter** and **Stuart Lee** working the fish over like machines on fly rods. **Stuart’s** largest *Hickory* was a 2-1. **Glenn** and **Stuart** had landed over 160 fish and were shooting for 200 in a day! **Danny’s** best catch was a 1-15 *Hickory* on 2# plug. **Ryan** has managed to out fish **Danny** in every specie this year and **Danny** has threatened to put **Ryan** on Ann Carrow’s wall to fish if he doesn’t back off!

**Danny** was also fishing the James with his daughter **Janie** and **Robin** one afternoon when **Janie** landed a “potential” Junior IGFA World Record *Hickory Shad*. **Janie** caught the fish on a dart on 2# spin and it weighed 1-13. If approved, this will be **Janie’s** second World Record. Go girl!

Stamford Niou with a nice Carp on Fly

Rob Choi with some nice Specks

From the Nottoway River in Franklin, Va., **Danny** caught a 10 ounce *White Perch* with **Ryan** topping that with a 1-1 *Perch* on 2# spin for 279 points. **Ryan’s** fish will take the “specie” and “largest” leads. Over 100 *White Perch* were caught that day. Several *American Shad* were also landed by **Ryan** with a 1-15 being the highest point entry on a dart and 2# spin.

Saltwater fishing on the Elizabeth River, several anglers had *Spotted Seatrout* entries. **George Atkinson** was fishing the Hot Ditch with **Fred Cousins** on March 15<sup>th</sup> when he hooked a 4-6 *trout* on 4# spin for a 218 point entry. **Rob Choi** was also fishing the river and landed a 5-11 *Seatrout* on 2# spin for 379 points and the “spin division” lead.

Last, but certainly not least, was a fantastic fishing trip by **Quinton Corbett** at Puerto Jamenez, Costa Rica during the middle of March. The trip resulted in six different specie entries. The best entry was a *Pacific Sailfish* on a ballyhoo using 30# tackle for 191 points. All other species were caught on 12# line and are as follows: 8-0 *Red Snapper*, 8-0 *African Pompano*, 8-0 *Rock Snapper*, a 14-0 *Roosterfish*, and an 11-6 *Jack Cravelle*. The *Red Snapper* is a Club Record. Not bad for two days fishing!

Take care,

Buddy

### **NORTH CAROLINA OUTER BANKS BEACH DRIVING INFORMATION**

To get the latest information on what parts of the beach in the Cape Hatteras National Seashore Park are closed to driving, check [www.islandfreepress.org](http://www.islandfreepress.org).

The closures, as you may know, are based on the nesting of sea turtles and shore birds (piping plover, among them) and the width and condition of the beach itself. With the spring surf fishing season coming up soon, this information is really useful to know before taking the trip down to catch some of the drum that will soon appear.

The negotiated beach closure rulemaking process ended after 14 months of meetings on Thursday evening, Feb. 26. This process was to assist the National Park Service in writing a long-term off-road vehicle regulation for the Cape Hatteras National Seashore

### **PAY DUES OR MAKE A DONATION ON LINE**

If you have not yet paid your 2009 dues, you can do so quickly and easily now by paying online with your credit card. Go to the VAC website and open the Members' Area. At the bottom of the Members' Area home page you will see a rectangular buttons that offer the opportunity to pay dues or make a donation. Click on the appropriate button and fill in the information on the next page that pops up. Follow the instructions for either payment choice and your payment selection will come automatically to the VAC for payment credit. Your credit card statement should have an entry confirming the charge.

### **JEFFERSON CUPS FOR SPECIES AWARDS AVAILABLE FOR PURCHASE**

The Board of Directors has approved a way for winners of annual species awards (both points and weight) to individually purchase engraved pewter Jefferson Award cups from Bunkie Trinite Trophies. Bunkie-Trinite Trophies is the source of all engraved awards given by the Club and are located at 12 E. Grace Street in downtown Richmond. Their phone number is (804)-648-2416. When you visit the store or call to place your order, ask for Chris Trinity. VAC Records Custodian Danny Noland has provided Chris with a list of the 2008 Angling Year

specie award winners. Tell Chris what award(s) for which a Jefferson Cup is desired. Chris will work out pricing, payment and delivery with the individual member requesting a cup(s). Chris will know the text, font and layout necessary to produce the Jefferson Cup. The Seal of the Virginia Anglers Club will also be engraved on the cup. All cups individually ordered will match species cups awarded in the past.

### **SPECIAL RAFFLE – APRIL MEMBERSHIP MEETING**

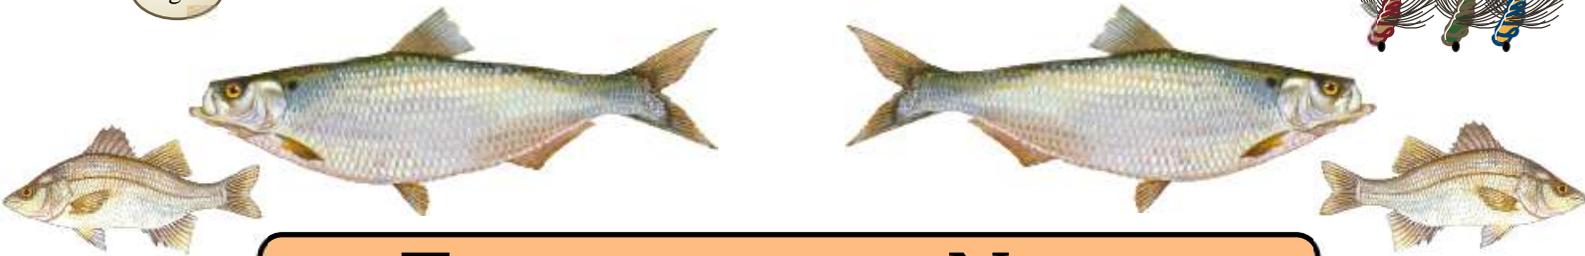

This month's Special Raffle will feature a Dr. Julie Ball sport fishing calendar. Tickets are one for \$1.00 and six for \$5.00. See Don West prior to the meeting for your tickets.

Lake Whitehurst,  
Lake Smith,  
Lake Prince,  
Little Creek Reservoir,

## Tournament News

### VAC Shad / Perch Tourney Results

Saturday was windy but otherwise pretty and a great day to fish. Stuart and Glenn landed 180 fish on Saturday! The water flow grew from 8000 cfs on Sat to 19000 cfs on Sunday - which made for dirty water and lots of trash. However, two of the winning fish were landed on Sunday in spite of conditions. Only a few small perch were around, but there were enough entries to fill all 6 places. I know of 12 members that participated.

Thanks to all and congratulations to the winners!

## VAC MEMBERS HELP KIDS ENJOY THE FUN OF ANGLING

Many kids from the Richmond area enjoyed a few hours of fishing, thanks to GreenTop Sporting Goods, The Virginia Anglers Club and the able assistance of four VAC Members. The “Open Fishing Time” was held on Saturday, April 18, 2009 on the 14<sup>th</sup> Street Bridge and was part of the “Earth Day” festivities (formerly known as the Fish Festival) in Richmond. The species targeted were hickory shad, white perch and herring. VAC Members Lynn Spurlin, Vic Skakandy, Bob Brown and Charlie Fasano volunteered to assist with keeping the tackle donated by GreenTop and the Virginia Anglers Club actively fishing. The four tied on lures, made sure the lines got into the James River and unhooked the catches the kids reeled in. It is worth noting that Charlie was voted into membership on March 10<sup>th</sup>. Charlie wasted little time in jumping in and helping with this worthy and fun filled event. Once again, the VAC gratefully acknowledges GreenTop for donating gear for use by the kids and their continuing to support VAC sponsored events.
