## UPCOMING VAC ANGLING ACTIVITY

### February 25, 2020 - Special Speaker for February Meeting – Keith Ray

Keith is a North Carolina guide that works on Buggs Island Lake for most species you might want. However, he specializes in crappie and perch. He comes highly recommended by Fred Cousins and Reggie White of the VAC that have fished with him. Keith has several brush piles and raised areas (“humps”) on the lake marked on his GPS. Fred and Reggie have recently caught crappie, both types of perch and striped bass at those locations while with Keith who is also said to tell some funny stories while fishing. His February talk should be both educational and enjoyable. Plan to come out in February – check your scales, hear Keith speak and have some winter fun. Also, if you can bring along a friend or relative who might be a potential new addition to the club.

### February 25, 2020 – Annual Scale Certification

Please remember to be sure your scales are in working order, the barrels are oil free and are placed in a Zip-Loc type re-sealable plastic bag with your name written on the outside.

## President's Message

February 2020

I'm looking forward to working alongside the leadership team for the Virginia Anglers Club in 2020. With such a storied history, you don't have to travel too far back in time to appreciate what we have today ... and the dedication of our members and their work to keep this club alive and vibrant.

Our Fish Fry team makes the Annual VAC Fish Fry such a special event ... Buddy, Danny, Ryan, Jeff, Fred, Art and others ... stalwarts. And our Annual Banquet team who organizes the event and puts together a tight awards show ... Suzanne, Gary, Karen, Danny and Ryan. Awesome!

Our scale certification, catch data, records, and rules committee keeping the torch burning for all the Virginia Anglers who have come and gone and those fishing today. Our Board members and committee members who make everything work ... month after month.

It takes a large crew of volunteers to make it all work ... many of whom have doing their labors of love for quite some time now. And it's exciting to see new people working their way into leadership roles like Frank Hart (Membership) and John Page Williams (Conservation & Legislation). We have a full slate of committee members and board members ready to roll into 2020 and now is a great time to rally that friend you have who would be interested in the Virginia Anglers Club and what we offer as we work towards a strong class of new members.

The leadership teams over the years have done work for the club decade after decade because ... well ... perhaps we'll never know exactly why other than it just feels right. It's nature and fish, or not fish. It's doing things for others and spending time with our old friends and making new ones. It's fishing line and finesse ... it's in our souls.

A special thanks to Bob Brown Jr., for his job as President in 2019 and here's to a great year forward and thank you for being a member of the Virginia Angler's Club. Tight lines and happy fishing.

Mike Ostrander

# Annual Banquet

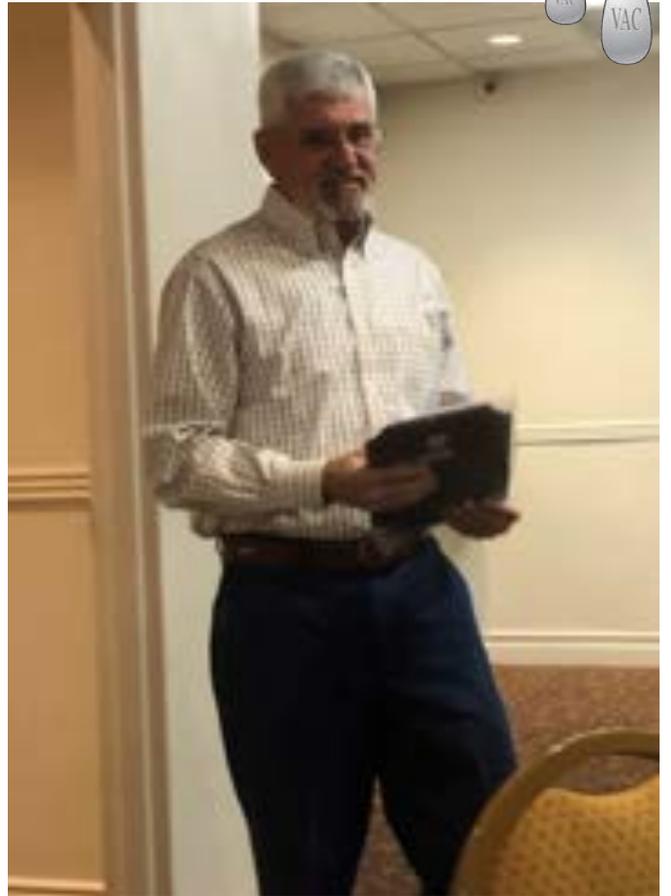

The annual banquet was held on February 2nd at “The Place at Innsbrook”. We had a total of 54 members and guests attend the banquet with rave reviews. The smoked Rockfish donated by Stuart Lee was a delicacy that everyone enjoyed. The buffet style dinner was abundant leaving everyone pleased.

The angling accomplishments were very special this year with Glenn Carter being recognized as “Master Angler” the most sought-after angler rating with the Virginia Anglers Club. Congratulations Glen and to all the anglers that received awards. The evening continued with raffle items, fishing stories, and great memories.

Special thanks to banquet chair Suzanne Lucas and Gary Green on their hard work to put together another great banquet.
